EXPERIENCE

Girl's Soccer Team, Edgewood Senior High School - *Captain, Player*

August 2021 - October 2025

- JV Team Captain Sophomore year (2022)
- Varsity Team Captain Senior Year (2025)
- My duties were to lead the team and ensure that the whole team worked together to accomplish the goals each player set for themselves. The goals were not only to win but to have good sportsmanship.

Girl's Basketball Team, Edgewood Senior High School - *Captain, Player*

October 2021 - March 2023

- JV Team Captain Sophomore year (2022)
- My responsibility was to be a leader on and off the court. I had many obligations as I played four JV quarters and two varsity quarters. Practices were 2 hours a day 6/7 days a week.
- A team requirement I participated in was volunteering on Sundays to referee a basketball league for younger children.

Track Team, Edgewood Senior High School - *Runner*

March 2024 - May 2025

- Ran the 4x400, the 4x100, and the 4x800 relay. Our relay team placed in almost every race.
- My duties for this team were to go on daily distance runs along with practicing techniques to improve speed at the start and finish line.

Bowling Club, Edgewood Senior High School - *Bowler*

October 2023 - March 2024

- The bowling club focused on teamwork as four other bowlers and I worked hard to achieve the highest score.
- It was the first year of this sport so it had to be classified as a club but our girl's team made it to Districts and we were one place away from making it to Sectionals.

Theatre, Edgewood Senior High School - *Performer*

December 2023 - March 2025

- Played the roles of Mongo, Ms. Tenny, the moderator, and a thespian in the production of High School Musical as a junior.
- Played the role of the flight attendant ancestor in the Addams family as a senior.
- Both plays involved showing up to rehearsals every day for 3 months straight and dedicating my time to rigorous hours of rehearsal to learn the lyrics and dances. It all paid off in the end.

Captains Council, Edgewood Senior High School - *Member*

September 2023 - May 2025

- This club met once a month and went on an end-of-the-year retreat to a Boy Scout Camp to learn team-building skills.
- The duties of this club involved interacting with other student leaders that were chosen by a coach. We would solve any issues that came up in the school setting to create a healthy environment in each of our prospective sports.

Athletic Council, Edgewood Senior High School - *Member*

September 2021 - May 2025

- As an Athletic Council Member, the other members and I volunteered in various events and opportunities across the county. Some of these events included preparing and delivering fully cooked Thanksgiving meals to families in need or coming out to cheer on and play sports with members of the Special Olympics.

Fellowship of Christian Athletes, Edgewood Senior High School - *Member*

September 2021 - May 2025

- As a member, I went to the library every Friday during lunch and listened to the leader of the club's devotional. We talked about different lessons and passages of the Bible whilst answering questions that often led to further self-discovery.
- I was actively involved in getting other students to join this group.

National Honor Society, Edgewood Senior High School - *President, Member*

October 2023 - May 2025

- I was inducted as a member for my junior year and voted as President my senior year.

-
- Not only did I correlate meetings with members, I also spoke at the induction ceremony my senior year.
 - As a member and President of the National Honor Society, I frequently organized school events with other members and worked to foster a sense of community among the students at our school.
